

Effective June 1, 2016

Changes to Recycling

Due to changes at the processing facility, Styrofoam can no longer be included with your blue box recyclables and will have to be disposed of with your household waste.

#4 Film Plastic such as grocery and shopping bags, bread bags and the outer wrap from cases of water, toilet paper, paper towels and milk bags (not the litre sized bags) can now be accepted. Please put all of these in one bag (a bag of bags) and put them in your blue box.

If you have any questions, please contact the Municipal Office at 613-757-2300.

Thank You for taking an active part in the Recycling program for Killaloe, Hagarty and Richards. All of your hard work has made significant changes to the amount of waste we dispose of.
