

Please make note of the following changes to Recycling in Killaloe, Hagarty and Richards: Due to changes at the processing facility Styrofoam can no longer be included with your blue box recyclables and will have to be disposed of with your household waste.

Please continue to sort your Recyclables at the source for curbside pick-up, as well as for processing at the waste sites. Items in Group 1 (Commingled) can be recycled together. Items in Group 2 (Fibre) can be recycled together.
