The holidays are a wonderful time for loved ones to gather and reflect on the year gone by. It's a time to celebrate the coming year with hope and enthusiasm.

I would like to recognize our Township's committed and active volunteers, community groups and organizations who work tirelessly all year to support the community and those in need. Without the hard work of these dedicated volunteers, the Township of Killaloe, Hagarty and Richards would not be such a wonderful place to call home. Thank you all for your generous contributions which continue to make a positive difference in our community.

This season, let us all reach out a little further to those around us.

Let us look for those who might need that extra helping hand. Let us thank the veterans and the volunteers for their service, the elderly for their examples, the young children for their hope and optimism, and friends for just being friends.

On a personal note, I am thankful to our township staff and elected officials, all of whom are committed to working together with the community to make a positive and lasting

contribution to our great Township. I am so fortunate to serve with such dedicated men and women. They truly care about our community. Thanks to them, the year ahead promises to be a positive and exciting one and I am confident that together we will achieve great things.

On behalf of the Township of Killaloe, Hagarty and Richards I extend my warmest regards and best wishes to everyone in our township and across the County of Renfrew. May the spirit of this wonderful season be with you and your loved ones throughout the holidays and many blessings in the New Year.

Our Community Skates!

Come out and discover the joys of one of our Township's outdoor rinks. Whether it's a leisurely skate or a breakaway up the ice, skating is fun and full of fitness benefits. Ice skating is easy on the joints because it's low impact, and it improves your balance and coordination.

After a successful last season,

staff will once again be present to supervise skating at both the Killaloe and Round Lake rinks, run the concessions and open the doors to our two rec centres to keep warm. Schedules at both rinks include times for public skating which means no sticks or pucks on the ice. Please be sure to follow the schedule. There is

time for 'shinny' plus there are nets provided at both rinks.

Our ice staff works hard to create and maintain the very best ice possible. If the rinks are closed for any reason, please stay off the ice. See our Facebook page for activities and rink conditions.

Contributing To Recycling

Councillor raises a "cup" to Boston Terrier Rescue

KHR Councillor, Debbie Peplinski, is collecting various items to keep them out of the land fill and raise money for Boston Terrier Rescue Canada.

Peplinski is working with Nadine Briere of Pembroke for the Boston Terrier Rescue. Peplinski had a Boston Terrier, Benny, that passed away this year. Locally, both schools have started to contribute to the project.

The agency that does the recycling is TerraCycle.

TerraCycle upcycles and recycles traditionally non-recyclable waste (including drink

pouches, chip bags, tooth brushes and many more) into a large variety of consumer products. These products keep waste out of our landfills and contribute to a cleaner world. TerraCycle products are available at a wide range of major retailers from Wal-Mart to Target as well as online.

Anyone local who wants to contribute can contact Debbie at: 613-757-3767 or dpeplinski@khrtownship.ca

Inaugural Festival of Outdoor Rinks

Event spearheaded by KHR goes Ottawa Valley wide

In the winter of 2015, the Township of Killaloe, Hagarty and Richards held a "Celebration of Outdoor Rinks" featuring activities at their three outdoor rinks. The event was so well received, that it has now inspired a new Ottawa Valley-wide event, the Festival of Outdoor Rinks.

This event is debuting the weekend of February 19-21,

2016 with 27 rinks participating across Renfrew County and the Pontiac. Each rink will have their own schedule of events under the Festival banner. The Festival is free to attend.

KHR Township has Killaloe and Round Lake rinks participating, and Wilno's rink is also involved. Madawaska Valley has their Barry's Bay and

Combermere rinks included and the Algonquins of Pikwakangan are also involved. This makes the western Highway 60 corridor a strong attraction for the Festival.

Activities and directions to the rinks will be online well at: www.festivalofoutdoorrinks.com

Stay tuned to our next issue of our rink events!
