Did you know Das Oktoberfest dates from 1810? The original Fest was a celebration of a Bavarian royal wedding in the city of Munich. The Bavarian royal family continued the event the following year and since then Oktoberfest has been celebrated in various countries not just by Germans but by everyone who likes to celebrate!

This year you can join the festivities on Saturday, October 3rd from 12:00pm to 5:00pm, at the Killaloe Rink for a family style Oktoberfest celebration. Bring your dancing shoes and polka, polka, polka! Enjoy Oktoberfest food prepared by the St. Andrew's Knights of Columbus that includes: sausage on a bun including all the fixings

plus pretzels and apple strudel. Kids can enjoy the Root Beer Tent with games and activities all afternoon.

Sign up early that day to compete in Hammerschlagen (striking hammer contest) and Masskrugstemmen (beer stein holding contest). Prizes will be awarded for best lederhosen (leather breeches), best dirndl (ladies traditional dress) and best

Oktoberfest hat! It wouldn't be Oktoberfest without a beer tent and for those who want to lift a glass to celebrate, visit the Killaloe Curling Club beer hall or beer tent from noon to late and enjoy more great music and delicious food. A Spirited

Oktoberfest will be a great community event honouring the German heritage of local families.

For more information on this event, please visit the municipality's website at: www.killaloe-hagarty-richards.ca or follow us on our Facebook page: www.facebook.com/ASpiritedOktoberfest

Local Government Week Returns Public open house: Tuesday, October 20th

Local Government Week is an opportunity for residents and students to learn how their municipality functions on a day-to-day basis. The Township of Killaloe, Hagarty and Richards has held events for Local Government Week as a way to help engage youth and the public, and to create awareness of civic responsibilities.

The municipal level of government is responsible for

the day-to-day functions that impact residents and in celebration of the role that our municipal government plays in helping to define the character, priorities, and quality of life of the township. This year, the Township of Killaloe, Hagarty and Richards is hosting a Municipal Open House on Tuesday, October 20th from 9:00am to Noon for the public. Schools will also be invited to

tour the offices, meet the staff and meet with the mayor and council.

Local Government Week is an initiative of the Association of Municipal Managers, Clerks & Treasurers of Ontario (AMCTO), the Association of Municipalities of Ontario (AMO), the Ministry of Municipal Affairs and Housing, and is supported by the Ontario Teachers' Federation.

Your Home Escape Plan

Tips to get your family out of danger safely

The best way to protect everyone in your home from death or injury in a fire is to know what to do when you hear the sound of your smoke alarms. Here are some tips to help you develop a Home Escape Plan that suits your family.

PLAN YOUR ESCAPE

- 1) Sit down with everyone in your home and talk about the best ways to get out quickly in the event of a fire.
- 2) Draw a floor plan of your home that shows two ways to get out of each room.
- 3) Post the plan on your refrigerator or where everyone can see it.
- 4) Agree on a meeting place outside the home away from the building where everyone can gather after escaping a fire. That

way you can count heads and make sure that everyone is safe.

PRACTICE YOUR ESCAPE

- 1) Most fatal home fires happen at night, so send everyone to his or her sleeping area and sound the smoke alarm.
- 2) Close off some exits and pretend that they are blocked by smoke or flame.
- 3) Make sure that everyone leaves the home and gathers at your meeting place.
- 4) Practice your plan by staging a home fire drill every six months.

BE PREPARED

- 1) Make sure that everyone in your home (including visitors) can hear and recognize the sound of your smoke alarms.

2) Make sure that everyone in your home knows to call 9-1-1 in the case of a fire.

3) If windows or doors have security bars, make sure that the bars have quick-release devices inside.

4) Make sure that the street number for your home is clearly visible from the road.

5) If there are infants, older adults, or individuals with specific needs in your home, make sure that someone is assigned to assist them in the fire drill and in the event of an emergency.

6) Keep stairways and exits clear and free from clutter.

If you do find yourself in a fire, remember to never re-enter a burning building.
