## All The Way From Ireland! KHR hosts world-famous Echoes of Erin

Echoes of Erin is a colourful and exciting show of Irish traditional music, song, dance and humour. Some of the finest traditional musicians and dancers in Ireland will grace the stage at Festival Hall in Pembroke.

Comhaltas Ceoltóirí Éireann's Echoes of Erin Concert Tour of North America has nine events in Canada, and Killaloe is hosting one of them - the first event in the Ontario group of

shows. The 2014 tour brings current and former All-Ireland champions and experienced performers to Canada. The Killaloe stop "complements" An Irish Gathering, a growing Irish cultural event in Renfrew County.

This fast-moving show merges the most soulful of detailed solo artistry with lighter ensemble music while the dancers step it out to a wide variety of rhythms. Traditional songs of Ireland and

the Diaspora tell the story of the Gael in both sombre and joyous mood. Fear A' Ti Dic Béimis brings his much lauded style of wit, humour, and narrative to the stage.

The Echoes of Erin will be visiting and interacting with the public in Killaloe and performing at Festival Hall in Pembroke. The Township of Killaloe, Hagarty and Richards is hosting both events.

# Local Government Week

## KHR Township Hosts Open House October 22nd

With an election in the air, what better year to celebrate Local Government Week?

The municipal level of government is responsible for the day-to-day functions that impact residents and in celebration of the role that our municipal government plays in helping to define the character, priorities, and quality of life of the township. This year, the Township of Killaloe, Hagarty and Richards is participating in Local Government Week with a Municipal Open House on October 22nd from 9:00am to 12:00pm (Noon). The

event is being held at the Township office, located at 1 John Street, Killaloe, Ontario.

It is an opportunity for students, educators and the general public to engage local politicians and staff, to learn about services provided by each department and to learn about current and new projects.

Local Government Week is an initiative of the Association of Municipal Managers, Clerks & Treasurers of Ontario (AMCTO),

## Watch For Your Ballot In The Mail

### The municipality encourages your participation

The right to vote is a feature of democracy, protected by the Canadian Charter of Rights and Freedoms. When we vote, we choose the representatives who will make the laws and policies that govern how we live together. The legitimacy of a government lies in the fact that it is elected.

While democracy involves much more than holding elections every four years, voting is a powerful way to send a message to governments and politicians. The more votes, the more powerful the message is. In other words, every vote counts. Compared to other forms of political participation, voting does not require a lot of time or effort in other words, it is one of the easiest ways to have a say in how your society is governed.

#### Ballots To Be Mailed

In the Township of Killaloe, Hagarty and Richards, voting is done by mail. On the day of the vote, the polling station will be in the boardroom at the municipal office. Ballots will be mailed out the week of September 22nd so residents are reminded to watch for them. Please ensure you follow the instructions in the voting package and return the ballot to the township office as soon as possible.

#### Candidates To Be Elected

The election takes place on October 27, 2014. In KHR Township, residents will elect one mayor, two councillors from Ward 1 (Killaloe), two councillors from Ward 2 (Hagarty) and two councillors from Ward 3

(Richards) as well as school board trustees.

For more information on the election or to ensure you are on the voter's list, please contact the Township office or visit: [www.killaloe-hagarty-richards.ca](http://www.killaloe-hagarty-richards.ca)
