

# Reflections Of A Great Year

## KHR is the little municipality with big impact

2017 will mark a busy and exciting year all across Canada, as we celebrate 150 years of this amazing country. We are all excited to take part in activities throughout Renfrew County that will allow us to show how proud we are to be Canadian.

Looking back on this year, we started off leading a new event: the Festival of Outdoor Rinks. Despite uncooperative weather, there were still 1,500 people out to enjoy the rinks in an event ran throughout Renfrew County, South Algonquin and the Pontiac. In the spring, we celebrated an author's festival and worked further on our municipal emergency preparedness with the help of staff and volunteers. Our recreation gang did a great job offering a lot of sports activities for children and adults alike, and

contributes to our economy, both locally and throughout Ontario and Canada. (Interesting fact, Canada is home to 18% of the world's forests!)

As your elected council, we are very proud to represent this community throughout the region. We always welcome your inquiries and ideas on how to continue to improve our municipality. Please continue to talk with us about issues that are important to you and let us help you if we can.

Enjoy this holiday time with your friends and families. May you all be safe and in good health throughout the season and as we welcome in the New Year. Let's make Canada's 150th our best year yet!

our lake associations continued to be active with mile markers, flotillas and stewardship.

We welcomed April Verch to our rainy Canada Day event, which still drew hundreds of people. It was a great highlight to our regular music line-up which takes place all year long throughout the municipality at Songs in the Park and festivals and activities in Station Park.

The #ittakesaforest campaign also debuted this year, reminding people how much forestry

# Snowmobile Season Gears Up

## Bonn-Trae welcomes volunteers; trail passes online

The Bonn-Trae Snowmobile Club is getting ready for what hopes to be a great winter season on the trails. As the season gets underway, they have a few messages to get out to local snowmobilers:

### Permit Sales

For the first time ever, permit sales will only be available online. The Ontario Federation of Snowmobile Clubs (OFSC) manages the permit system. The website to access your permit is: <https://permits.ofsc.on.ca>. The

local office for the OFSC is District 6, Snow Country and can be reached by calling: 613-735-8882 or online at: [www.snowcountryscsa.ca](http://www.snowcountryscsa.ca)

### Volunteer Positions

The Bonn-Trae Snowmobile Club strives to improve and

make your trail system better. For this we need volunteers and revenue from trail permits. Providing a great trail system attracts tourists who, in turn, spend money which benefit our local economy. We meet on the last Tuesday of the month at the Sands on Golden Lake, so please come join us.

### Bonn-Trae President

The president of the Bonn-Trae Snowmobile Club is Mike Cayer. He can be reached at 613-882-1599 or 1-877-376-7669.

# Tree of Peace Lighting Event

## KHR invites community to kick off the season

The Township of Killaloe, Hagarty and Richards invites the community to the Tree of Peace tree-lighting event. The lighting will be held on Friday, November 25th at 6:00pm in front of the municipal office on John Street. Many communities around the world have community tree lighting events to mark the Christmas season and to bring the community together. Our municipality has a tree near the municipal office,

which makes it perfect to host this kind of event.

In addition to the event, this will be a family-friendly event. There is free ornament crafting and cookie decorating for kids, and there will be festive music along with free hotdogs, coffee and hot chocolate. Mix and mingle with your friends and neighbours and enjoy holiday magic at its best.

In addition to the lighting and the festivities, the event is

supporting a great cause - the St. Francis Valley Healthcare Foundation. In the spirit of the season, we invite the community to make a donation to the Foundation. Funds will be helping the Foundation contribute to the long-term health needs of the community.

If you wish to make a donation in advance of the tree-lighting ceremony, you can do so at the township office during regular hours.
