

Naturally Spirited

KILLALOE-BAGARTY-RICHARDS

KHR Municipal Office

Open to the public with the following restrictions as of July 27th 2020; access to the office will be at the front door and those wishing to enter will have to buzz in at the front door. Physical distancing stickers/signage will be posted outside, with one person only allowed in at a time. Meetings with Department Heads will be accepted by appointment only and washrooms remain closed to the public until further notice.

Visitor Information Centre

The water tap at the VIC remains closed. From a public health standpoint, the mechanism used to offer the drinking water may spread COVID 19 and therefore it is not safe for the public.

Round Lake Recreation Centre

Round Lake Recreation Centre is opened to the public as of July 24th 2020. Swings remain closed until further notice.

Station Park

Station Park is open to the public as of July 24th 2020. Following RCDHU recommendations sanitizing/disinfecting the play structure will take place at 7am daily. The drinking fountain remains closed until further notice.

Sheryl Boyle Park

Sheryl Boyle Park is opened to the public as of July 24th 2020. Washrooms will remain closed until further notice. Swings will also remain closed until further notice.

Waste Recovery Sites

Waste recovery sites are now accepting cash. There will be a 2 week grace period where invoices will be issued for this service to adapt to the revised procedure. The Second Chance building will remain closed until further notice.

Library

Due to the construction the Library remains closed to the public until further notice, however, will continue to offer curbside pick-up. The Library will provide updates on their website when they are planning to open and will notify of relevant safety procedures.
