## Municipal Message

The Ontario Government declared a provincial emergency and announced the implementation of a 4-week, provincewide stay-at-home order, effective Thursday, April 8, 2021 at 12:01 am.

This is in addition to the provincewide shutdown implemented on April 3, 2021.

Effective Monday April 12, 2021 the Municipal Office will be closed to the public. To limit the spread of COVID – 19, Municipal staff will be working remotely, however, departments can still be contacted by phone at 613-757-2300 during regular office hours of 8:30 am – 4:30 pm.

Residents are encouraged to make payments for water, sewage and property taxes online, at the bank, e-transfer, by mail via cheque/money order and/or drop off in the

“Municipal Drop Box” located at the front entrance of the municipal building. When making an e-transfer payment email info@khrtownship.ca and be sure to include all necessary information such a name, account number(s), what the payment is for and password.

Waste sites will remain open and waste/recycle pick up will continue to operate with no disruptions. Tags for garbage can be purchased at the waste sites and/or dropped off in the “Municipal Drop Box” in an envelope with request, payment, name, address and phone number.

If you are using the drop box option, the tags will be mailed to the address provided.

The Killaloe and District Public Library will continue to offer curbside pick-up

Tuesdays, Wednesdays and Fridays between 11:00 am – 4:00 pm and Thursdays between 11:00 am – 6:00 pm.

To order items, you can call 613-757-2211 between curbside pick-up hours or place your request via their online catalogue or by emailing info@killaloeibrary.ca

Full details on the provincewide stay-at-home order can be found at: Ontario Enacts Provincial Emergency and Stay-at-Home Order.

Please know that your safety, the community’s safety and the safety of our employees remain our top priority. We appreciate your cooperation and understanding as we work together to limit the spread of COVID – 19 in our community.

# Community Minded

## This Issue: Jackie Goodheart

lage in a small rural municipality, everybody has a different story as to how they got here, but they all share similar reasons for staying.

The same goes for Jackie. When talking about the local community, Jackie says “There’s something special about Killaloe, everyone has a sense of humour and they are all so good natured and down to Earth.” She says that “in Killaloe, there’s always room at the table and nobody slips through the cracks because there’s always someone willing to help. It’s the friendliest Village around and everyone is always smiling at each other because they know each other and help each other.”

Helping others is right up Jackie's alley, and since she moved to Killaloe, she has been involved with a number of volunteer organizations including the Killaloe Friendship Club & the Killaloe Garden Club. She's also offered her expertise as a social

worker to the Community Resource Centre, as well as various training groups in Psychosynthesis. In her earlier days, she led dance jams & women's circles at Half Moon Farm in Rockingham. More recently, she fulfilled the heartfelt dream of her late husband, George Linn, by creating Love's Healing Reading Room for the community.

When I asked Jackie what community means to her, she said “Community means connection. It also means accountability and friendship. When people give to the community, the community is healthier and thrives because everyone gets the help they need, when they need it, so people aren't over-burdened. When this happens, they are able to help others, and are inclined to pay it forward, bringing it full circle. But Jackie also suggests that if you're going to volunteer, make sure it works for you. If it's not fun, it's not worth doing and always remember you can say no!”

In closing, Jackie's had this message for the community: “Keep doing what you're doing! Volunteer-

ing doesn't need to always be structured. Here in the Village, there is a high level of giving that is not related to formal volunteer activities. It's so simple; it just means helping your neighbours and paying it forward. We live in a place where people are very self-sufficient but being self-sufficient doesn't always mean doing things on your own - often it means just being a good neighbour and being active in your community. Being a good neighbour is really the ultimate form of volunteerism!”

Wise words to live by. On behalf of the Municipality of Killaloe, Hagarty Richards, thank you Jackie Goodheart for all that you do for our community!
