	bkidd@countyofrenfrew.on.ca	nicholas.brown@hpengineering.ca	dave@brservices.ca

WHY: The bridge must undergo a major rehabilitation in order to extend its service life.

WHAT: Rehabilitation will require full closure of the bridge for the entire duration of the construction project. The detour route will utilize Tramore Road, Highway 60, and County Road 58 (Round Lake Road).

WHEN: The work will begin **July 18th, 2024** and is anticipated for completion **late September 2024**.

WHERE: Tramore Road, 350m North of County Road 58 (Round Lake Road), Township of Killaloe, Hagarty & Richards.

Safety

During construction, it is our priority to ensure the safety of the public, but this will require cooperation. Please respect all traffic signage and stay clear of all construction equipment. If applicable, please tell your children about the dangers of playing near a construction area.

Construction Disruptions

The Contractor will take every precaution to minimize interruptions to local residents and businesses, but as you can appreciate, there may be some inconvenience during the course of the project, including noise and delays. We would like to thank you in advance for your patience and cooperation.
