## Municipal Messages

### BECOME A VOLUNTEER

Emergencies happen in our communities that have the potential to threaten our health, safety, environment, property, critical infrastructure and economic stability. In Ontario the Emergency Management and Civil Protection Act requires all municipalities to be prepared for such events. The Township of Killaloe, Hagarty and Richards is looking for volunteers to assist our community prevent prepare for and respond to emergencies. Any and all assistance from volunteers would be an asset to the community during an emergency from driving someone somewhere, animal control, food handling and/or

picking-up/delivering food, providing medical services, damage clean-up, pick-up and delivery of supplies, providing the use of heavy equipment/ATV etc. Many community groups in our area are also in desperate need of volunteers for a variety of needs. If you are interested in helping your community by becoming a volunteer you can contact Volunteer Coordinator, Chris Neff by phone 613-757-2300 or by email at communitydevelopment@khrtownship.ca. Volunteer applications are also available at the Municipal Office located at 1 John Street, Killaloe ON. Visit our website for more information.

# KHR Volunteer Fire Department

## FIGHTING FIRE WITH FIRE!

“We have a good team building and we have a great team!” says Fire Chief Bob Gareau.

Introducing KHR’s Volunteer firefighters! A group of people who come together in case of an emergency to protect our homes, property and workplaces from all sorts of dangers including fire, gas and environmental disasters. They also help out with many community events, like our Canada Day fireworks celebration.

With over 20 members, KHR’s Volunteer Firefighters are well trained

## YOUR VOLUNTEER FIRE DEPARTMENT

**From Left:** Rick Pecaskie (*Fire Captain*), Devon Murphy (*Trainer*), Ken Shulist (*Sr. Fire Captain*), Del Gienow (*Sr. Fire Captain*), Jim McClement (*Fire Captain*), Bob Gareau (*Fire Chief*), Janice Tiedje (*Former Mayor*), Dwane Bielawski (*Deputy Fire Chief*), Tom Hartwig, Brandon Prince, Darren Cybulski, Andrew Armitage, Brad Levean, Julia Orłowska

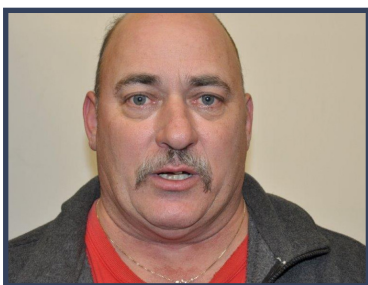

**Missing From Photo:** Dwane Bielawski (*Deputy Fire Chief*), Orshy Barlett, Michal Eckert, Brady Gibson, Willie Hartwig, Alex Jeffrey, Jim Jeffrey, Shaun Jeffery, Jason Mask, Brandon Prince, Jay Royer, Sheery Royer, Jonathan Schutt, Charlie Yutronkie

and ready to help when needed.

Many of the squadron work other jobs but respond to emergencies when and where they can. So if you see a flashing green light, pull over because that could very well be one of our own rushing to an emergency in our community.

Fire Chief Bob Gareau would like to thank KHR’s Firefighters for volunteering their time and would also like to remind the public of the importance of having working smoke and carbon monoxide detectors in your home and where required. Working detectors save lives!

## Faces of Firefighting

**KEN**

Born in Ottawa Ontario, Ken owns a business in Killaloe (*3-D Graphics & Design*) and has been a volunteer firefighter for 29 years. Ken moved to the township when it was Hagarty & Richards and joined the department because he wanted to get involved with community. Ken likes to hunt and enjoys getting away to fish in Algonquin Park.

**TOM**

In addition to being a KHR Township employee for our Public Works Department, Tom is also a Volunteer Firefighter. Tom is a 3rd generation firefighter, with both grandparents having served on the same fire department as well as his father for over 20 years. When not working or volunteering Tom likes to hunt, fish and 4-wheel.

**JAY**

Jay is fairly new to KHR’s volunteer firefighting crew, signing up in December of 2020. Jay is a retired member of the Canadian Military. You may notice Jay is missing from the photo above and that’s for good reason! He and his wife Sherry, another member of KHR’s Fire Department were off preparing for their wedding that same day!

**ANDREW**

Andrew has been a firefighter for 10 years and says “it feels like I can’t ever remember my life not being a firefighter but at the same time it feels like it’s been 10 years in the blink of an eye.” Andrew likes mountain biking, canoeing, camping, cheering for the Ottawa Senators and helping his family with their passion in whitewater kayaking.

## ABOUT THE ENVIRONMENTAL ACTION TOUR!

WHAT IS THE ENVIRONMENTAL ACTION TOUR?

The Environmental Action Tour is a community road clean up project that has been occurring annually since 2020. Hundreds of volunteers have come together over the years to help pick over 500 bags of garbage & recycling and hundreds of pounds of scrap metal from our roadways, ditches and fields, cleaning up our community and the environment!

HOW DOES IT WORK AND WHAT DO I NEED TO DO?

If you are interested in participating, all you need to do is register a team or ask to be added to a team by emailing or calling the contact provided. You will then be sent a registration form that you will need to fill out and return before the event. There is no cost to register and all materials will be provided to you before the event. If you have a road you would like to help clean up, you will be assigned that road and you can start picking any time on the day of the event.

Five prizes of \$200 each will be awarded for: Most Garbage, Weirdest Garbage, Best Team/Action Photo, Best Team Name and Most Valuable Picker! Each household will also get 10 free garbage tags for participating as well as a free souvenir t-shirt for each team member. There will also be a Meet and Greet event on April 28th where likeminded people can gather over a free meal and music the day before the event. On the day of the event, we will come around with water and extra supplies. Afterwards, KHR Public Works Department will pick up the bags from the side of the road.

## An Understanding of Algonquin History in Canada's "Reconciliation Era"

**We are told that we are in Canada's reconciliation era.** What does that mean, and how does it impact our lives in unceded Algonquin territory?

### How do we find ways to honour the lands where we live, work, and recharge?

Further, how do we find ways to honour all beings—human and other-than-human beings—who we share those spaces with? And, how do we ensure that our future generations can hold those same connections?

**All are welcome to participate in this workshop with Christine Luckasavitch** (Omamiwinini Madaoueskarini Anishinaabekwe (Algonquin) and mixed settler heritage), whose work centers around creating spaces for Indigenous peoples to share their knowledges, both in physical and digital spaces, and encouraging the re-emergence of ancestral kinship ties.

# Local Business Spotlight

**THEY'VE GOT YOU COVERED!**

Covered Bridge Park is a family-owned and operated seasonal campground run by the Sadecki family.

This beautiful destination has over 150 acres of waterfront campground on the Bonnechere River with cottages, cabins, tent and trailer sites. They also have recently acquired a yurt tent which is available for rent.

The park is located east of Algonquin Provincial Park in Tramore on the north side of Bonnechere River between Round Lake and Golden Lake.

The Sadecki family is made up of Andrew, Dzidka, and their 4 kids, Olek, Justina, Emilia and Julia. They are accompanied by their two loving, furry companions, Kubusz and Molly.

In 2007 the Sadecki family moved from Toronto, where they spent 18 years, before deciding to move and adopt a completely new and polar opposite lifestyle here in KHR at Covered Bridge Park.

Since their arrival, they have missed no opportunity on this new life and journey, from farming chickens,

sheep, rabbits, to adjusting to new rural schools and friends and heating the home with a wood stove, there were many adjustments from city living.

The park has expanded immensely since the family moved here in 2007, with total renovations of the cottages as well as developments to the washrooms, and expansion/ maintenance in many forms throughout the property.

On behalf of the Municipality, thank-you for choosing to do business in Killaloe, Hagarty and Richards!
