Trillium Grant Announcement

From Left: Councillor Carl Kuehl, Councillor Brian Pecoskie, Mayor Dave Mayville, MPP John Yakabuski, Community Development Coordinator Chris Neff and Councillor Harold Lavigne

MEDIA RELEASE

November 25, 2023

\$134,500 OTF Grant Insures Generations of Outdoor Play in Killaloe

Killaloe, ON – On Saturday, local MPP John Yakabuski met with staff and Council at Killaloe, Hagarty and Richards Township to hear more about the \$134,500 Capital grant from the Ontario Trillium Foundation (OTF) that will be used to install a new rink board system at the Killaloe outdoor rink facility to extend the life of the outdoor facility while allowing more events and programs to be hosted at the site for generations to come.

“I am very pleased to announce that an Ontario Trillium Foundation Grant has awarded the amount of \$134,500.00 to the Township of Killaloe, Hagarty and Richards. These funds will be used to replace the rink boards at the municipal outdoor rink. This upgrade will ensure the rink is in top form for local residents to enjoy outdoor ice sports for years to come. Congratulations to the Township for submitting a successful application. My thanks to the Ontario Trillium Foundation for this generous grant,” said John Yakabuski, MPP for Renfrew-Nipissing-Pembroke.

The new rink board system will allow for safer play while increasing the number of activities and sporting events that can be hosted at the rink. The new system will also allow for better ice to be created, with less damage to equipment and machinery while making it more accessible.

“This is a great first step in revitalizing the Killaloe Rink, beginning with the new boards, and Council and I are grateful to the province for this opportunity to improve the rink since it is a vital part of our recreation amenities here in KHR” says KHR Mayor David Mayville.

The Municipality of Killaloe, Hagarty and Richards is committed to providing safe, inclusive and accessible outdoor spaces for everyone to enjoy. The funding provided by the OTF will ensure that this heavily used facility will continue to provide a place to be active while enjoying the outdoors. Should you wish to learn more about KHR’s recreation facilities, please visit our website www.killaloe-hagarty-richards.ca

The Ontario Trillium Foundation’s (OTF) mission is to build healthy and vibrant communities across Ontario. As an agency of the Government of Ontario, and one of Canada’s leading granting foundations, last year, OTF invested over \$110M into 1,022 community projects and partnerships. Visit www.otf.ca to learn more.

Remembering One Of The Greats

IN LOVING

memory of

Stanley was a well known municipal politician and strong advocate in matters close to his heart. He put not hours but years of dedication sitting on committees and fighting for the rights of Private Land Owners. He sat at local fairs and jamborees selling tickets for the cause he believed in. Many hours were spent canvassing the Valley to support a local fishing derby and then the KHR Logger's Event. He worked as a municipal councillor for 22 years. From the Timmins mines to the Valley forests and in retirement to local politics Stanley is and was well known as a generous, hardworking and devoted citizen! From well digger to grave digger, there wasn't much he didn't do! But there was always time for a good Northern Partridge hunt and fishing! He will be truly missed by extended family, nieces and nephews, friends and colleagues but especially by his daughter JoAnne and dear sisters.

STANLEY PECOSKIE

01/08/1940 - 16/11/2023

Killaloe and District Library News and Events

KHR TREE LIGHTING AND ANNUAL LIBRARY HOLIDAY OPEN HOUSE

The KHR holiday tree lighting and the Killaloe and District Public Library's annual Holiday Open House will be held on Thursday December 7th, from 6:00 pm to 8:00 pm. The evening will begin with the outdoor tree lighting in front of the municipal building at 1 John Street, followed by the library's Holiday Open House in the library. The Open House will showcase the beautiful vocal harmonies of our very own community choir, OK Chorale, who will entertain everyone with wonderful seasonal songs. A special guest and a surprise unveiling are also planned for the evening.

The Holiday Open House always features tasty homemade treats and holiday refreshments, and this year will be no exception. This is a great way to kick off the holiday season! Mark your calendars and drop by to meet and greet old friends and new – maybe even Santa! The holidays just wouldn't be the same without the Killaloe and District Library's Annual Holiday Open House!

KILLALOE AND DISTRICT LIBRARY SURVEY

We are inviting everyone to take a few moments to complete our Killaloe and District Public Library survey! The survey will help us obtain public

feedback on library services and assist us in collecting ideas for improvement as we create our 5-year library strategic plan. All feedback is welcome, from members and non-members alike. Below is a URL to the survey, and a QR code for quick access from your device. You can also find the link on our Facebook page, our website (killaloelibrary.ca) and as paper copies in the library.

NEW CRC PROGRAM

Introducing Watershed

Watershed offers a flexible range of programs and services to support rural women and 2SLGBTQIA+ individuals, including those impacted by gender-based violence and social isolation, to move from survival mode into sustainable livelihoods.

Our team works in collaboration with community members to build physical assets, social assets, personal assets, human assets, and financial assets to address existing social and economic barriers, increase wellbeing, build skills and opportunities.

Local Schools In Action!

KPS Green Earth Club

years, the school has achieved Platinum Certification, its highest recognition of youth leadership. This year's plan includes 19 actions that will make a positive difference in the community, including a partnership with the Killaloe Pathways Park to grow seedlings and plants for the community garden.

The Killaloe Public School Green Earth Club is a group of committed students who lead and promote environmental stewardship at the school and in the community. The club has been together since 2018 and has completed numerous projects and ongoing green actions.

KPS has been affiliated with Eco-schools since 2012, and for the past 4

Another focus for the year is to create an eco-code, which is our school's mission statement to environmental learning and climate action. Other initiatives that the club supports include diverting textile waste, the 3 R's, planting trees and butterfly gardens, waste free lunches, community clean-ups, energy conservation, and just having fun being green!

Local Government Week

Students from both Killaloe Public School and Saint Andrew's Catholic School were visited by KHR Staff in October to learn about local government during Local Government Week!

Pictured above is the KPS Super Hero Election, one of three lesson curriculum prepared for various ages groups to help students learn in a fun way about their local government!
