2023 ENVIRONMENTAL ACTION TOUR

2023 was one for the record books! With a record breaking 95 participants (plus 300 students), on a record 28 teams picking a record 200 bags of garbage/recycling in addition to truck loads of scrap metal, demolition material and dozens of appliances from our road ways. Volunteers should certainly be proud of what they accomplished and the Municipality of Killaloe Hagarty and Richards would like to give our deepest gratitude to everyone who pitched in and helped clean up the environment! This year we certainly found much of the same things such as discarded appliances and recyclables that could have went to the waste recovery site for free. We also saw many strange things such as bikes, boom boxes, sinks, tires and even a sundial in the swamp. To some this could be considered discouraging. However, in 2023 we actually have many things to celebrate. Record youth involvement, record participation, record attendance at our pre-event gathering, the power of community cleaning up 200 bags from the environment, the honks, the waves and the stops to thank volunteers and now roads needing less attention in 2024 due to less garbage. Thanks to you, We are making a difference!

Piling Up: Retirees of Red Rock Road well on their way to their 43 bag total haul.

Water Warriors- The Tramore Trashers leaving no trash behind!

BeaverTails Killaloe

BORN AGAIN IN KILLALOE!

BeaverTails in Killaloe is under new management and is ready to take on a busy summer feeding Canada's favorite pastry to hundreds of hungry visitors and locals at the iconic creek side kiosk.

New General Manager Dave Kubisewsky is a long-time resident of Killaloe and brings many years of customer service experience to the position.

Dave says he is pleased to be working in the heart of the village, close to home and is looking forward to meeting/serving customers and visitors this season.

Dave helped set up BeaverTails kiosks in Ottawa in the 1990s and is thrilled to be representing the popular Canadian brand here at home in Killaloe, "The Birthplace of BeaverTails."

Dave encourages guests to stop by the Killaloe kiosk and enjoy a fresh tasty pastry and say "Hi" to Dave.

The kiosk is open 7 Days a Week - 11 am to 6 pm all Summer!

BeaverTails Killaloe has more than just fresh faces at the kiosk, with fresh paint, new

seating and many new beautification features to enhance your BeaverTails experience. Check out their Facebook page for news, contests and local specials!

BEAVERTAILS HISTORY

In 1978, at the Craft Fair in Killaloe, Pam and Grant Hooker began to sell pastries that they dubbed "beaver tails," made from a Hooker family recipe.

Today, BeaverTails is a chain of restaurants that sell these pastries, with locations in many Canadian cities as well as in other countries around the world!

Killaloe, is known as the Birthplace of Beaver -Tails and even has it's own pastry, the "Killaloe Sunrise."
