Bonnechere Provincial Park

On a beautiful sunny day in Round Lake Centre, celebrations were abound as both Bonnechere Provincial Park and Friends of Bonnechere Provincial Park celebrated milestone anniversaries. Park staff, board members, government officials, friends and visitors celebrated the 55th Anniversary of Bonnechere Provincial Park and 30th anniversary of the Friends of Bonnechere Provincial Park. The day was filled

with educational opportunities including various exhibits/ workshops around archeology and history. Many heart felt speeches and sentiments were shared about the history and past projects of the two organizations, with a new announcement about funding for an innovate new trail system also being announced. New logos were presented, designed by graphic designer Julia Mielke at Julabrand

and brought to life by artist Helena Potvin at Back Country Studio. Several Awards were also presented including two directors awards presented to the Municipality of Killaloe, Hagarty and Richards as well as Archaeologist Chris Andersen. The municipality would like to thank and congratulate both organizations on these amazing achievements and wish you all the best in your future endeavors!

Volunteer Appreciation Awards

“It’s no secret that without the dedication and loyalty of local volunteers, many community events and endeavours would not be possible. To thank these individuals who were nominated by their organizations for their hard work and selflessness, KHR has provided engraved awards to these volunteers as a token of appreciation.

Awards were presented by organizational representatives to the nominees, and many heartfelt words were shared. Award recipients included Jim Homer, Lynne Postill, Dan Harrington, Stasia

Recoskie, Tammy Reimer, Madison Jenkins, Norman Edwards, David Becker, Bruce Burnett, Kathy Fischer, Andrew Capobianco, Brook & Melissa Tremback, and Gwen Stewart.

Two Lifetime Achievement Awards were presented to Dan Harrington and Harold Lavigne for their lifelong commitment to volunteering excellence by Mayor Janice Tiedje.

Many thanks to everyone who made it out for the event and the utmost thanks to our volunteers for your continued dedication to community wellbeing.

Touch-a-Truck

Killaloe's first Touch-a-Truck event was a huge success, with over 700 people in attendance. Vehicles were brought from the Killaloe OPP, the KHR Fire Department, the Canadian Armed Forces, local construction companies, The Toy Bus,

and more. Local children had a chance to explore vehicles inside and out and let their imaginations roam free. Thank-you to the volunteers who made this possible and to everyone who came out for the event!

Presenting: Killaloe Pathways Park!

A new park is coming to Killaloe at the site of the old Hoch Farm! Killaloe Pathways Park, upon completion, will be a network of interconnected paths through the forest. One path will feature exercise stations and will be primarily used as a fitness trail, while the other will be a storytelling trail with reading stations lining the path. Thanks to an extreme-

ly generous donation by Keetch's Castle and Pastways, alongside the hard work of community-minded individuals, this project was made possible. Make sure to check out the design contests on the township's Facebook account - submissions have a chance to be added to the park!
