New public health measures effective January 5th 2022 have been put in place by Ontario Public Health to protect workplaces, individuals and families from the emerging Omicron variant. As a result, the Township of Killaloe, Hagarty and Richards has implemented several changes in our operations. These policies will be in place until directed by Ontario Public Health. Should you have any questions please feel free to contact this office by email info@khrtownship.ca or by telephone 613-757-2300.

The Municipal office located at 1 John Street in Killaloe will continue to be open to the public with restrictions. One person at a time will be permitted to enter, screening questions

will be asked before entering and once inside contact tracing is required. Cleaning protocols will be in place to ensure the lobby area is disinfected between users. We encourage the public to utilize our online payment options where possible and to only come to the office if it is absolutely necessary. Department heads will be available by appointment only and washrooms will continue to be unavailable to the public.

The Killaloe and Round Lake outdoor rinks will continue to operate with restrictions. Patrons are encouraged to practice social distancing and it is recommended that a mask be worn where 2 meters distancing can not be maintained. Rinks will be subjected to a 50% capaci-

ty limit which will be posted at the rinks and must be followed in order for the rinks to remain open. Indoor clubhouse areas will be open during select times and will also be subject to capacity limits. Masks must be worn at all times while indoors and proof of vaccination will be required to enter the indoor clubhouse area for anyone twelve years of age or older.

The waste recovery sites will remain open during regular scheduled days and hours and encourage the public to respect all social distancing and COVID 19 protocols while on site.

We want to thank you for your cooperation in attempting to reduce the risk of spreading the corona virus.

Stay healthy, stay safe.
