This Issue: Danny Harrington Mr. Harrington has resided in Killaloe for most of his 70 plus years and has been volunteering in the area for over 40. He says "KHR has a flavour of its own," and he feels "lucky to live here." Although Mr. Harrington has been involved with many organizations in the past, most recently he serves as a board member for organizations such as, CRC (5 years), Killaloe District Housing (2 years) and the Killaloe Food Bank (3 years). When asked why he started volunteering in the first place, Mr. Harrington replied "I feel so lucky to live in such a good community in which to raise a family, I just wanted to give back." Mr. Harrington's latest project with the Food Bank has him involved with a group of volunteers who are working hard to make sure that all members of the community have what they need during the pandemic and beyond. He says, "We've had no problem getting volunteers, the support for and from the community during this time has been tremendous."

Mr. Harrington's message to the community is that you should, "join a committee or a group, it's a great way to get to know your community." He encourages everyone get involved and praises groups like the CRC, Curling Club, Lions Club, Killaloe and Area Seniors, KHR Township Council and all volunteer organizations in KHR for their amazing community initiatives.

Killaloe Library expansion project resumes

The Killaloe & District Public Library's building expansion project is back on after a short hiatus. Originally slated to begin in early April, construction of the 1,095 sq. foot addition began in May and is now in full swing. "It's so exciting to see years of dreaming and lots of work by dedicated volunteers become a reality," says librarian and CEO, Nicole Zummach. Once complete, the new space will offer more room for patrons to work and relax. New programming space will bring more learning and entertainment opportunities to the community, and of course, there will be room for more books, magazines and movies.

Community Resource Centre: Staying Connected

During the summer months the Community Resource Centre continues to offer its support to local families through online and virtual programming and emergency food resources to the community. As we continue to follow COVID-19 distancing precautions, our in-person programming is on hold and many staff are working remotely. Voicemail and email are checked daily during weekdays, so you can leave/send us a message to our main office or program staff and we will respond to you. If you or someone you know could benefit from some grocery supports, please be in touch with us by phone or email. As the province reopens we look forward to being able to see and meet with you and yours once more!

An Irish Gathering

The digital parade will be a homage to the power of community in tough times. We are asking families and individuals to submit a short video of themselves parading in Irish attire from right to left across the screen. Silly walking and tasteful shenanigans are encouraged!

After the deadline, we will then make a video collage making it seem like one continuous parade. How do I get involved? Follow us on Facebook and join the event "An Irish Gathering of Sorts/

Digital Parade." Videos can be submitted starting August 1st and will be accepted up until the 16th of August. The final video will be released August 21st on our Facebook page.

If you wish to participate but do not have Facebook, send us an email at communitydevelopment@khrtownship.ca. We can also travel to your location and video you if you wish, simply call us 613-757-2300 to book an appointment.
