Become a Volunteer

Emergencies happen in our communities that have the potential to threaten our health, safety, environment, property, critical infrastructure and economic stability. In Ontario the Emergency Management and Civil Protection Act requires all municipalities to be prepared for such events. The Township of Killaloe, Hagarty and Richards is looking for volunteers to assist our community pre-

vent, prepare for and respond to emergencies. Any and all assistance from volunteers would be an asset to the community during an emergency from driving someone somewhere, animal control, food handling and/or picking-up/delivering food, providing medical services, damage clean-up, pick-up and delivery of supplies, providing the use of heavy equipment/ATV etc. If you are interested in

helping your community by becoming a volunteer you can contact Volunteer Coordinator, Chris Neff by phone 613-757-2300 or by email at communitydevelopment@khrtownship.ca Volunteer applications are also available at the Municipal Office located at 1 John Street, Killaloe ON. Visit our website for more information.

Community Minded

This Issue: Harold Lavigne & Dianne Savignac

If you live in Round Lake, you more than likely recognize these two wonderful people. Chances are you know them by name, and chances are they know your name too. If you've ever attended an event in KHR, you probably have seen them around.

That's because there are not

too many things these two haven't volunteered for in our community. This pair is truly one of a kind. Harold and Dianne moved to the area in late December of 2003. Harold, born in Pembroke and Dianne, born in Montreal started their volunteer journey in the winter of 2010, when Harold began helping Timmy Summers with the outdoor rinks.

In 2011 Harold started maintaining the ice and in 2012, he began helping the KHR Volunteer Recreation Committee with the t-ball and 3-pitch children's programs. Then in 2012, Dianne began helping out at various events as well as the rink canteen. Aside from being known fondly as the "Popsicle Lady" she also has established quite the reputation for having some of the "best hot chocolate in the whole Ottawa Valley."

Their legacy has been well established over the last 10 or so years as they have volunteered their time to help run: 3 pitch, t-ball, soccer, ball hockey, ice hockey, Easter Candy Land, Party in The Park, Loggers Sports Festival, Halloween Haunt, An Irish Gathering and Music in The Park, just to name a few.

When asked why they do it, the answer was simple, "we do it for the kids." They say they were inspired by others helping out and that during their time here they have met so many amazing people. "It's been amazing to

watch these kids and their families grow." "The children are everything to me," Dianne said with a smile. A wonderful example of what it means to be community minded.

Their latest venture,

with the help of the Volunteer Recreation group was the purchasing of a new playground at Round Lake Park. The group was able to raise \$16,000, \$12,000 of which came from their bottle/can collection program. Volunteer Recreation is now looking at acquiring benches at the park as well.

Harold and Dianne say they could not have done it without the help of their fellow Volunteer Recreation members and they would like to thank; Michelle Cherry, Matt Jenkins, Dave Mayville, Julie Recoskie, Brenda O'Connor, Megan Koffman and Cathy Marion, as well as the numerous student volunteers who have helped over the years, for all of their help and support. They stress that these efforts were truly a team effort and that they are very thankful to have such a great volunteer group to share their love of community and family values.

Harold and Dianne say "there's never too many volunteers and that they are always looking for help!"

From the Municipality of Killaloe, Hagarty and Richards, thank you Harold and Dianne for all that you do! You are truly an inspiration to us all and we are so fortunate to have you both in our community.
