The Killaloe BIA celebrated their first ever event on the 17th of August with a movie night hosted by Grandma's Pantry. The featured movie SCOOB, was a huge success with 100 attendees present!

Some of you may be wondering, what is a BIA? BIA stands for Businesses in Action, it is a group of likeminded people consisting of local businesses, property owners and community members working together in conjunction with the local municipality for the economic betterment of the community. BIA's focus on downtown beautification, community events, business support and so much

more! A BIA will pick a certain area to focus on to help further develop that area to help support the local economy and community. In this case it is the Village of Killaloe and area. A successful BIA has a positive impact on the local atmosphere and environment, which in return attracts shoppers, diners, tourists, and new businesses. It can even help increase property values!

Our next project, which is already underway, is creating 2 road signs in both directions along Highway 60 that will help direct travelers off of the highway and into Killaloe to support the local economy. The Killaloe

BIA's slogan featured on the signage, "A Place to Gather", highlights Killaloe's Irish Gathering celebration, while also creating a call to action to bring travelers into explore this welcoming, peaceful, and inclusive community which has so much to offer!

If you would like to support the Killaloe BIA, they are accepting donations as well as letters of support, and can be reached at the following email: killaloe.bia@gmail.com Follow them for all the latest news and events on Facebook – Killaloe BIA.

Did You Know

Did you know that throwing even one food-covered container in the recycle bin can contaminate a whole truckload of recyclables? Make sure that everything you put in the bin is clean, dry, and empty. When in doubt - throw it out.

Did you know that Tim Hortons cups are actually not recyclable? The waxing on the interior of the cups makes them unsuitable for

recycling purposes, and thus they are to be thrown in the garbage (even the lids).

Remember - do not put a plastic bag in your recycling bin. This actually makes sorting and separating recycling items much more difficult at facilities.

Alternative Disposal Methods - Charity

- KHR Volunteer Recreation - Harold and the KHR Volunteer Recreation accept donations of

alcohol bottles and cans at 534 Albert Street in Round Lake on Saturdays and Sunday's. All proceeds go towards supporting recreation in KHR!

- Items such as old or ill-fitting clothing, toys, old furniture, and jewelry are regularly accepted at locations such as Value Village (all week) and the Mission Thrift Store (Mondays and Fridays), both in Pembroke.
- Empties for Paws is a charitable way to dispose of empty beer, wine, and liquor bottles and cans. They use the profits from donating these

items to support animal rescues. The Pembroke SPCA accepts these items, as well as small electronics. In Renfrew County, these items are all accepted by Furry Tales Cat Rescue, the Arnprior Humane Society, Whiskers and Alley Cats of Whitewater, the Valley Animal Rescue, and the Boston Terrier Rescue Canada.

If you are interested in assisting with pick-ups or for more information, email dpeplinskie@khrtownship.ca

- Email Councillor Debbie Peplinskie for more information and if you are interested in assisting with pickups at dpeplinskie@khrtownship.ca

- Information about an electronics bin (Grandma's Pantry?) TBD.
- Buried Treasure? Give them a call
- While the Killaloe & District Public Library cannot currently accept book donations, they do accept donations of DVDs.
- Unwanted or excess food items (preferably frozen/non-perishables) can be dropped off at the Killaloe Food Bank. Only food that is yet to reach its best-before date will be accepted

Community Minded

This Issue: Gwen Stewart

Born in Barry's Bay Ontario, Gwen Stewart and her two children have been happy to call Killaloe home for the past nine years now. In between running her own massage therapy business (Holistic Hands), Gwen is an extremely active member of the community, volunteering for several community organizations including the Killaloe and Area Lions Club and the Killaloe Craft Fair. She is also the Vice President of the Parents Council at Killaloe Public School and played a significant role in

the construction of the Killaloe Station Park Natural Play Space, which she regards as her most proud volunteer work achievement which took about three years to raise funds for.

"No matter what's going on, it always seems like Gwen is there helping out. She's for sure somebody that I would think of as community minded," Andrew Capobianco noted about Gwen's reliability and participation in the community. When asked about her desire to be so active, she said, "I feel very loyal - Killaloe is my hometown, and if I can help out and give to the community that raised me, that's a big part of why I like helping. Having my own kids now is probably why I got started."

A lover of helping others

and bettering the community, Gwen believes that working as a team is the best part of volunteering since

it allows for a better experience. She also enjoys helping those that need it most. Gwen's message to the community is, "help when you can, and do what you can. You're not alone. Sometimes it can be overwhelming, but just do what you're able to help out. It fills your heart." On behalf of Killaloe, Hagarty and Richards, thank you, Gwen, for all you do!

Community Development

Become a Volunteer

Emergencies happen in our communities that have the potential to threaten our health, safety, environment, property, critical infrastructure and economic stability. In Ontario the Emergency Management and Civil Protection Act requires all municipalities to be prepared for such events. The Town-

ship of Killaloe, Hagarty and Richards is looking for volunteers to assist our community prevent, prepare for and respond to emergencies. Any and all assistance from volunteers could be an asset to the community during an emergency from driving someone

somewhere, animal control, food handling and/or picking-up/delivering food, providing medical services, damage clean-up, pick-up and delivery of supplies, providing the use of heavy equipment/ATV etc. If you are interested in helping your commu-

nity by becoming a volunteer you can contact Volunteer Coordinator, Chris Neff by phone 613- 757-2300 or by email at communitydevelopment@khrtownship.ca Volunteer applications are also available at the Municipal Office located at 1 John Street, Killaloe ON.

Orange Shirt Day

National Day of Truth and Reconciliation

This September 30th is the National Day of Truth and Reconciliation in Canada, as well as Orange Shirt Day. The National Day of Truth and Reconciliation is a day

of recognizing the legacy and lasting damage of residential schools. In remembrance of these events, the children who were victimized, and in the spirit of ed-

ucation, people from all over Canada dress in orange.

The colour orange is symbolic to the story of residential school survivor Phyllis Jack Webstad, who was given an orange shirt to wear on her first day of school. The shirt was taken from her and never returned, and is representative of the stripping of Indigenous identities caused by residential schools. The date is significant as well, September

being the time of year that Indigenous children were removed from their families to attend residential school. The event is intended to shed light on every aspect of this history.

Therefore, in the spirit of both education and reconciliation, we ask that you dress in an orange shirt on September 30th in solidarity and remembrance of Canada's history and support of Indigenous Peoples.
